Chairmans message

Wow, how time has gone, I can't believe it has been three years since I became chairman. It doesn't seem that long ago I was writing my first message to you.

As you read this message, holidays are all over for another year, kids are back in school and we are getting ready for the winter rallies.

During the summer the Junior Chairlady Rebecca and her committee held their rally at Sycamore Farm. Once again this was a fantastic success and was enjoyed by everyone who attended. They held a raffle over the weekend to raise money for their chosen charity. They raised nearly £500 which will be added to their other fundraising throughout the year. Well done to them all.

The children's sports presentations were also made at the junior rally. Congratulations to all the winners in the various age groups. Thank you to all the children who have taken part in the children's sports and to all the

rally officers who have allowed the sports to run from their rallies.

Can I take this opportunity to thank everyone who has served on committee during my time as chairman. Thank you for your hard work and your time that you have given to the centre. It has been a pleasure working with you all. I would also like to thank all those who voted for me to become chairman in 2014. Thank you for your continued support and I hope I have served my time well.

Finally my last thanks must go to my wife Angela and my family for their support over not just the last three years but for the last 16 years whilst I have been on the committee.

It has been an honour and a privilege to have been chairman of this centre. I would like to take this opportunity to wish the new chairman and their committee the very best for the future running of the centre.

Hot Off The Press!

Hi Everyone

Welcome to the September edition of the Centre newsletter and to the AGM weekend. I hope you've all had a great summer, the photos and videos that have been shown on social media certainly gave me the impression that everyone has been having a wonderful time on holiday rallies and rallies over the recent bank holiday weekend, including the Welsh National.

As we look forward to another year in the Centre, with a new committee line-up and fresh challenges to rise to, it's also a time for reflection. This edition of the newsletter will be my 18th as editor, a sort of "coming of age" if you like as I prepare to hand over the reins to someone new, marking the start of a new era for the Cheshire Centre Chronicle. It's been a fabulous 4 years, I won't try to tell you it's all been plain sailing but it's certainly been fun, interesting, exciting at times and tremendously fulfilling.

I must thank everyone who has sent items to the newsletter, without you the newsletter would stop, it's that simple really. If there were no news there would be no need for a newsletter so please keep sending your items in, I know that whoever takes over as editor will be grateful for that.

I must also thank my wife Paula for allowing me to take on the job in the first place, she's kept me fed and watered while I've burned the midnight oil and she's been my ever critical chief proof reader, with her keen eye for accuracy and whose advice has been invaluable. Thank you Paula, and here's to our next adventure!

As the events of this weekend unfold, next year's rally programme is set and the new committee is revealed, let's all look forward to another year of fantastic rallies with the Cheshire Centre and I hope to see you all on a rally field soon.

STOP

Please ask the Rally Officer if it is OK to move your vehicle, we can then control wear and tear on the field and help to maintain a safe environment for others.

Thank You

From the Junior Chair

As a lot of you may know I'm stepping down this year. I've had a great 5 years on the Junior Committee and would recommend for any junior to have a go at it as it helps you grow so much as a person. I would like to say thank you to everyone who has helped and supported me throughout my time on the Junior Committee and I want to wish the best of luck to the new committee, you will all do the centre proud. I'm always here if you ever need me.

I hope everyone has had a great summer and see you all on a rally field soon.

Treasurers Report

As you read this newsletter, I will be coming to the end of my second year as Treasurer and I can't believe how quick the time has gone.

I would just like to say thank you to all the rally officers for their patience with me and hope that any emails that I have sent to you regarding your accounts have been taken as constructive information and not criticism. I realise that some of you may only run one or two rallies a year and it is hard to remember what you need to do with the accounts, so not to worry if you get a figure in the wrong place, I will always check the accounts and put it right and let you know what I have done. The big thing to remember is to obtain receipts for ALL expenditure especially large expenditure.

I would also like to thank Hilda for her continued help, when I have come across something I have not dealt with before.

Thank you to the rest of the officers and committee for their continued support.

Lastly a big thank you to my husband Paul who in the second year has now got used to the answer to his question have you done such and such, no I have been doing the Treasurers work.

Teenage Cancer Trust Hot Air Balloon

On the extended weekend of the 10 August to 13 August, we attended the Bristol International Balloon Fiesta caravan rally run by the Avon Centre, there were 10 caravans and motorhomes from Cheshire Centre at the rally. Whilst at the Balloon Fiesta the local BBC news were reporting on the Fiesta and they featured the Teenage Cancer Trust Hot Air Balloon and the story behind it, as the Juniors are supporting this charity I thought I would just write a few words about it.

This is a Father and Son story, the son at the age of 16 was diagnosed with cancer and his father said that being a father is one of the hardest jobs in the world but being a parent to a child with an illness like cancer is something else!

His father runs a hot air balloon business and James his son was training to be a hot air balloon pilot following in his father's footsteps. Christmas 2014 James started to feel ill

and was diagnosed with Cancer early in the New Year of 2015. James was determined to beat what lay ahead of him.

James started his treatment under the support of the Teenage Cancer Trust Team in the Bristol Royal Infirmary's Oncology Centre. His father says it was a truly amazing place and the support they received from the team from day one was amazing. James's childhood dream had been to join the army, he could no longer follow that dream, but said it was ok as he could fly hot air balloons with his Dad. On the days, he was well enough to leave the unit he would go to the local park and watch the balloons take off and when he was well enough he would fly with one of his

father's pilots. Hot air balloons had been a love of his from an early age and these moments of escape helped him during his treatment.

James has now had the all clear. At the Bristol Balloon Fiesta in August this year James flew the Teenage Cancer Trust Hot Air Balloon, which has been commissioned by his father's company as a thank you to all the people who supported all of them through the most difficult time in James's life. There were also patients from the Teenage Cancer Trust unit at Bristol alongside him, this is something they are hoping to continue for years to come. They hope to raise much needed awareness and support for the charity.

Multiple Rally Plaques

If any members wish to have multiple rally plaques presented please inform the Rally Secretary how many rallies you have completed and which rally you would like the presentation to be at.

The Rally Sec will then advise the relevant rally chairman of the presentation. No doubt friends will then add to the obligatory stories of your achievement.

Pete And Cynth Wall Reach 1,000 Rallies:

After 45 years of rallying Pete and Cynth Wall have reached the magnificent milestone of attending 1,000 rallies.

At Rhos on Sea they were presented with their 1,000 rally plaque, an engraved silver plater, a bottle of wine and a cake from the rally officers.

They join an elite band of 8 Cheshire Centre couples who have reached this milestone. Very well done.

Polite reminder to all Rally Officers

The Rally Chairman's caravan should be sited next to or adjacent to the Rally Officers unless he / she requests to be sited elsewhere and should be signed CHAIRMAN with the sign provided. Rally Officers are reminded when taking bookings they must reserve a place for the Centre Chairman or his representative.

Thank you, The Committee.

Children's Sports Results 2017

It's been another fantastic year for the Cheshire Centre Children's Sports, we had 10 rallies agreeing to run our events, we managed 9 with 1 cancellation due to weather. I've again this year recorded 1st to 4th positions, awarding points to 1st, 2nd and 3rd places only. Our last race was, as always at the Junior Rally on Sunday 9th July where we also presented our over all 2017 winners and Sports Officer award.

I'm sure everyone attending will agree the Junior Rally was once again a great weekend, with fabulous weather, activities and entertainment for everyone to enjoy. The weekend was a credit to our junior committee, their chairlady Rebecca Pratt (in her final year) and their parents.

It was an important final race with 4 out of the 10 age groups all being decided on the day. In my time as Sports Officer we have never seen as many different children taking part over the 9 races. In total I have record 106 different children taking part this year.

SO, after adding up all the points and double checking them, the awards were presented to the following children:-

Girls 0-5	Molly Johnson	Boys 0-5	Aidan Greenfield
Girls 6-8	Jasmine Aubert	Boys 6-8	Andrew Leslie
Girls 9-11	Hannah Hull	Boys 9-11	Josh Upton
Girls 12-14	Emily Inns	Boys 12-14	Thomas Hull
Girls 15-18	Georgia Clarke	Boys 15-18	Leo Cliffe

The Sports Officer awards in recognition of effort and personal achievement for 2017 went to:-

Girls:- Katie Rae

Boys:- Matthew Jones

Both these children have run at least 5 races and although recorded only a couple of points each, they both still took part week after week, still smiling and laughing. Well done to you both!

To everyone who has taken part this year I hope you and your families have enjoyed taking part. Well done on your own personal achievements, it's been great to see so many children running and taking part. Thank you again to our Rally Officers for allowing us to run the events, all the adults giving encouragement and cheering the kids on during the races and to the helpers, holding the finish line, catching the kids and recording the winners and runner-ups whilst Eileen has been recovering from her broken Ankle. I want to also acknowledge our Junior Committee members who ran when attending the various rallies leading by example as they always do.

Not forgetting Finlay Geraghty, our Junior Sports officer, and his family who have run a couple of events for me and helped give the winners plaques out at closing flag with me and also James Rae our Junior Vice Chairman for his assistance on a couple of occasions.

I hope 2018 is as exciting as this year!!

Paul Bedworth
Vice Chairman & Sports Officer

Thank You

All our thanks to the Rally Officers, Rally Chairman & Ralliers at the Rhos on Sea rally for the wonderful way they made it so special on the occasion of us receiving our 1000 Rally Plaque, the chairman Andy must have worked hard, delving into our past, the gifts mementoes and cards given to us at flag will be treasured, a special thank you to the ralliers for their good wishes.

During the 45 years we have been centre members we have had some wonderful times and made lasting friendships, the 13 years spent on centre committee in various positions was very rewarding as was the 18 years membership of the events committee at head office.

We thank you for all your friendship during the above as we look forward to the next 1000!!!!

Thanks again, all our love and best wishes.

World Worm Charming Championships

It is with a tinge of sadness that we write this, our final report from the Worm charming rally. After 14 years we have decided to hand over the running of the rally to the next generation to carry the rally forward for many more years to come.

Moving forward your new rally officers will be Philip, Sam & Anna Shaw / Martyn, Nicola & Harry Shaw / Ross & Steph Davison (there's nothing like keeping it in the family). We hope they get as much enjoyment out of it as we have and that you continue to give them the support you gave us.

Over the years we have had some fantastic support from the Cheshire ralliers and other Centre's and we thank you all for your support. Even the year we got it wrong and put the rally on the wrong weekend we were well supported, some thought it was even better.

Achievements by Cheshire Centre Members during our time include:

- 2008 Heaviest worm Steve Plant & Ray O'Grady - 4.6g
- 2009 Most worms Steve Plant & Ray O'Grady - 431worms
- 2012 [World champions Trickett-Bell, Lowe, Hardcastle, Shaw & Lucy](#)
- 2015 World champions Trickett-Bell, Lowe, Shaw & Lucy
- 2015 Least worms Wa** & Th**** families - 1 worm

Our final and greatest thanks must go to Willaston White Star FC and their Chairman, Bob Beadle, for the use of their facilities. Without their help & support none of this would have been possible.

Jimmy & Trish

Bill & Chris

For the comfort of all ralliers, please keep your dogs on a lead at all times while on the rally field, and scoop that poop!

Thank you

When Cheshire did it again in 2015

Congratulations also go to team Beard, Jerram & Millward seen here (right) preparing to commence battle. This team finished 2nd Cheshire and 3rd overall.

This year the going was very tough. The very hot day and the lack of rain beforehand led to very heavy going. This was reflected in the relatively low numbers of worms charmed.

2015 Cheshire Centre results:

Plot 1	Beard, Jerram & Millward	163 worms	3 rd overall
Plot 14	Lowe, Trickett-Bell & Shaw	227 worms	Champions
Plot 27	Benson & Middleton	156 worms	
Plot 40	Curtis, Reece & Taylor	40 worms	
Plot 53	Hunter & Geraghty	47 worms	
Plot 66	Cook, Kirby & Roberts	52 worms	
Plot 79	Griffith, Edwards & M Shaw	79 worms	
Plot 92	Hull & Inns	62 worms	
Plot 105	Wa** & Th**** families	1 worm	(Great Sports)
Plot 118	Bedworth, Dale & Nevinson	76 worms	

A special mention for the Wa** / Th**** team on plot 105. This team were only armed with a trowel & hand fork but battled on gamely for the full 30 minutes. To get any worms under these circumstances was a truly marvellous achievement.

Well done to all competitors and to the many others for their vociferous support.

Can You Help?

As some of you may know I have created a film of the centre's history. This is an ongoing project and I am always on the lookout for interesting historical items. I was recently given a copy of the photo below of a Tug of War team by Jennifer Hall. Does anyone know which year the photo was taken, where it was taken, what event the team were training for and what, if any, success they had.

Back Row (left to right): Unknown, Alan Berry, Alan Collins, Adrian Rogerson, Paul Jennings, Sav Mayers, Mike Goodall, Brian Downes

Front Row (left to right): Andrew Brunt, Jenifer Hall, Tony Wilson, Giles Hall, David Beard.

Also, if anyone knows the name of the then new rallier, (back row on the left) that would be great.

Thanks in anticipation.

Cheshire Attends The Welsh National

“What shall we do August bank holiday weekend?” the conversation started in the Bedworth household. “Well nothing, until I get this next operation over with” said Eileen. Operation done and dusted with so we decided to book on the 65th Welsh National Rally being held at the Anglesey Showground.

In the hope that we could muster a few teams or participants for the numerous events, we decided to throw in a few sports kits and Cheshire Centre polo shirts.

After a quick phone call with Nick Rae and Andy Gibbs, we have our own Cheshire lines and Andy has kindly agreed to act as our centre CLO and has organised our Cheshire opening and closing flag.

The rally was at a fantastic location with a huge warehouse converted into an events hall for the Welsh opening and closing flag, some events plus evening entertainments. As well as a bar, staffed by the North Wales Committee, which at £2 a pint no one could complain!!

Up bright and early on Saturday morning ready to attend the sports officers meeting (where Eileen was pleasantly surprised to witness the men in their boxers being weighed for the Tug of War), shortly followed by the Opening Ceremony with Mrs Janet Moore – the Vice Chairlady of the Caravan and Motorhome Club.

Our ladies netball team were ready and raring to go only to be told that their nails were too long and after paying money to have them done they were not so keen to cut them off, so were sadly disqualified! Ah well, at least the sun was out! The boules had started, along with the opening rounds of the Quiz (ran by Andy & Andi Gibbs with the help of Phil Windsor). We also had the judging of the Bannerette, the floral, photography and cookery competitions. Late afternoon and it's traditional Tug of War competition. In the evening there was live entertainment from Marblehead Johnson.

Sunday the sports and competitions continued, the Fun Run took place (thanks to Andy & Andi). One of the funniest sports to watch was apparently the over 35's Walking football although we thought we did ok!!

We also had several Cheshire Centre dogs accompanied by their owners in the Family Dog Show. The volleyball competition followed with a mixed entry from Cheshire and our team made up from young and old getting through to the semi final. The evening entertainment was provided by the "Blue's Brothers UK" courtesy of Tommy Barron and Andy Stain. A fantastic evening was had – plus did I mention £2 per pint!!!!

Monday at the Welsh National is traditionally finals day so we were up bright and early ready to support our younger centre members who were helping other centres in the football and netball. Our Quiz team were also in the final, which they won! Closing flag and all the presentations of achievements over the weekend. All in all a great weekend spent with the Welsh Centres and our Cheshire friends.

The Cheshire Centre Golf Society (CCGS) Newsletter Page

The new 2017 season is in full throttle mid stream !

The 2017 season started on 8th April and we have now played 5 golf events, with another to go on 7th October. We have had such a great time up to now, all the golfers are so giddy.

For those of you who can't be bothered about golf or the stableford scoring system, I mention points here in my scrawl, which may not be understandable to you, so to bore you even more, here's a brief explanation: if a player is playing a par 4 hole, and they take 4 shots to sink the ball into the hole from the Tee (in par), then they get 2 points; if they are brill and sink it in 3 shots (a birdie) they get 3 points; and if they are amazingly good and they sink it in 2 shots (an albatross) then they get a BIG 4 points but, equally if they are a bit rubbish on that hole and sink it in 5 shots (bogey 1 over), then they only get 1 point and if they are really having a bad day, which most of our players are and they sink it in 6 or greater shots, then they get nowt. Easy to understand eh? Think yourself lucky I'm not explaining handicaps in this!! Anyway...

We started our golf year on 8th April at Brookfield GC, a nice course, good weather, great food and even better beer. We had 18 players at this event, which is a pretty good turnout I hear you say, there were 14 members and 4 guests . One of our new members, Jonathan Nagle, won this event with 40 points, what a bandit, and our Captain Ian Hallworth came second with 31 points, not as big a bandit but they have both been severely docked!!

Our second outing took us to Walton Hall GC on 13th May. This was another good day, lovely course, great sunny weather but, no food and the beer wasn't that great, so room for improvement for next year. 16 players turned out for this one, again a good turnout considering. Sad news though, despite being well docked, Jonathan Nagle again won this event with 29 points, not quite as much a bandit; with our Captain Ian Hallworth, again coming in a closer joint second this time with Kev Patterson, both on 26 points, with Ian being declared second on a card play off with Kev. We all thought Kev should have also been docked points for second but, sadly he hid behind the rules.

Then came our 3rd outing at Woodside GC on 10th June. This is a 9 hole course but played through 18 holes via different Tee placements. It is a lovely well kept

course, the weather was again good to us and more importantly the food and the beer were outstanding. Sadly, only 10 members and 1 guest were able to make this event, so room for improvement on attendance next year. It's hard to believe but our Captain Ian Hallworth won this event with 37 points, what an absolute bandito; closely followed in 2nd place by our Vice Captain, Kev Patterson on 34 points, an equally absolute bandito!! Methinks they were in cahoots but, hard to prove.

We then trudged to our 4th event at Brackenwood GC on 29th July. This is a great municipal course on the Wirral and it was in good condition. The weather was ok but, there is no clubhouse so I can't give you any lowdown on the food and beer. Sadly, only 10 players managed to get to this event but, a great close game was played with one of our new members, Tony Pratt, lovely swing, much lovelier than Kev Patts, romping away with it on 36 points, followed a good way back in second place by Kev Patterson, again, on 28 points. Tony has accordingly been well docked.

Our 5th event was last weekend on 9th September at Malkins Bank GC, a full report will follow in the next newsletter.

If you can swing a club, why not come and join us? After reading this wonderful backhand golf scrawl, you are keen and excited, nay, giddy about joining us on any or all of our remaining 2 events this year, then do no more than get in touch with me. Go on give me a call a text or an email; I'm waiting to hear from you with baited breath.

Why not become a member of our Society?! It's only £15:00 annual membership fee, cheap as chips.

How to get hold of me?

Well I make it easy for you! Just simply get hold of me any way you want, steady now!

Styal Plane Spotters

The ever popular Styal Plane Spotters rally took place this year in July and over 40 outfits arrived, keen to spot the rare and the everyday aircraft flying in and out of Manchester International Airport, still known to many as Ringway. With mixed weather the rally got off to a damp start but that didn't stop the planes and as you would expect it didn't stop the ralliers either.

There was a walk through Styal Country Park on the Saturday morning that just managed to avoid the rain. Well done to those that completed the walk, the footpath can be quite steep in places but the scenery makes it well worthwhile and then the option of a rest at the Ship Inn is an added benefit.

Saturday afternoon was free for spotting from the several vantage points nearby, providing close access to the airfield as seen in the above photograph taken by Terry Inns.

On what was the busiest weekend of the summer for Manchester's air traffic there was certainly plenty of activity on both runways, and a little excitement too with at least one aircraft aborting a landing at the very last minute. It came around for a second attempt and landed safely but what a fright, not only for the crew and passengers but also for our ralliers who were caught by surprise when the aircraft climbed steeply after what looked like was going to be a normal landing.

On Saturday evening the traditional evening's bingo with prizes galore was followed by the well supported paper airplane contest which is becoming quite competitive, especially in the grown-up categories. After the paper airplanes the heavens opened again but not before hot dogs had been served to everyone, ending what had been a great night.

This is a long standing rally that continues to provide entertainment for all at a price that just can't be beaten so you'll be pleased to hear that it will be in the programme again for 2018.

For your safety, your PUP tent should be no bigger than 6'x6', no higher than 5', and must be placed in the position normally occupied by the awning
