

Welcome to the Cheshire Centre

On behalf of The Cheshire Centre its members and Committee. I would like to take this opportunity to welcome you to the Centre.

The Cheshire Centre is, one of the largest most, active, Centres in the UK. Members of the Centre organise rallies all year round. We pride ourselves on being a Centre that, offers something for everyone, old and young and even those in between. I am Colin Day and I am your appointed Centre Liaison Rally Advisor (Bit of a mouthful got to call me something!). Together with my Family, we have rallied with the Cheshire Centre for many years

What is a Rally?

Above all a Rally is supposed to be an enjoyable experience. A Rally is simply a gathering of likeminded Caravaners and represents a cost-effective way of enjoying and using your Caravan or Motorhome. A Rally can take place over a weekend, or last for several weeks, they can be very local, or even abroad, as far afield as Australia! A Rally might be linked to a specific theme or event. Other Rallies have very little organised these are called free and easy rallies. If events are organised, then you will be invited to join in, but if you don't want to don't worry there's no pressure.

Have a browse through the list rallies on our website [Cheshire Centre Rally Book](#). and choose one that interests you. If you require further information regarding any Rally please, do not hesitate to contact either myself using the details at the end of this, or our Rally Secretary, Rob Daniels rally.secretary@cheshirecentre.co.uk. We will be happy to answer your questions and put you in touch with the Rally Organiser.

Alternatively, you can register [Here](#) which allows you to download a version of the Rally book that includes contact details so that you can book direct with the organiser. We prefer if you can book and pay in advance, normally cheques aren't cashed until just before the date of a Rally. We appreciate it is not always possible to book a long time in advance, because real life gets in the way of caravanning unfortunately! If that is the case, and you want to attend a Rally at the last minute, please get in touch with the organiser. They will try to fit you in if possible. Even if a Rally that you would like to attend is showing to be fully booked. It is still worth contacting the organiser as there may be a waiting list or a cancellation, that will allow you to attend. A booking form is included at the end of this document. It is also available in Excel format on this [Page](#) of the centre website

Once you have booked your Rally, do not be surprised if you do not receive an acknowledgement. The Rally Organiser will only normally contact you if there have, been some changes, that you need to be informed about.

Each Rally will have directions listed. Please follow the directions given in the book. Sometimes the route suggested by your Sat Nav is not suitable for Caravans. When you are close to the venue the organisers will normally put up signs like this to guide you.

Upon arrival, you will be greeted by the organisers, known as Rally Officers, who will give you an envelope that contains information about the Rally, the timing of any events that are occurring during the Rally and competitions for Adults and Children. These are not compulsory to complete. They Rally Officers, should also tell you where, on the field, you can get your fresh water and the location of the Chemical disposal point. If they don't ask! There may also be an opening get together on Friday evening, to give information for the Rally, but most importantly it is an opportunity to try out the Tea or Coffee and Biscuits provided by the Rally Officers

At the end of each rally there is a gathering called "Flag". Rally Officers and member of the Committee will provide you a highlight of the weekend and hand out prizes for the lucky competition winners. Actually, it is an excuse to have even more, Tea or Coffee, Biscuits and have a gossip.

All members of the Cheshire Centre want to ensure your time with the Centre is enjoyable. If you have any problems please don't sit and suffer in silence please talk to your organisers or any other Rallier and they will be happy to help. All Rally's are run by volunteers, who give up their time freely. If you have any constructive feedback please give it to us. Please note we cannot control the weather, and the Rally organisers decision in competitions is final, especially when wrong.

The centre takes data protection very seriously. As such I would like to draw your attention to our data protection statement.

"Photography / videography may be taken at our Centre's events and rallies. The Centre and Club may use any photograph(s) and / or video(s) they take that includes you, your party and/or outfit in all and any media, including printed and electronic publications, e.g. websites, or promotional materials, in the advertising of its goods or services. The photograph(s) and / or video(s) may be stored for these purposes as well. If you do not want to appear in any shots, please advise the organiser if it relates to a specific event, or the Centre Secretary if for all events. They will do their best to accommodate this and ensure you are able to avoid the area being photographed / filmed.' Where images including clearly identifiable people are submitted by the Centre to the Club for publication, the individuals must have given the Centre permission to take and use images in all and any media by use of this wording."

Go on Book a Rally what's the worst that can happen? And you might enjoy it. I've even included a booking form overleaf to get you started!

Best Wishes,

Colin Day
